### Team Meetings:

Saturday, February 26, 2011 9:00 AM Lithia Springs UMC – 3<sup>rd</sup> Floor

Saturday, March 5, 2011 9:00AM Lithia Springs UMC – Fellowship Hall

We are convinced that God wants this women's walk to be successful but we still need many pilgrims and much prayer. The team meetings will be held at Lithia Springs on February 26th and March 5th at 9:00 am but at two different locations. **February 26** the team will meet on the third floor. Park in the front. **DO NOT COME IN THROUGH THE FELLOWSHIP HALL!** There will be signs on the door to show you where to enter and signage to take you to the meeting place in the building. On **March 5th** we will meet in the fellowship hall as usual. On February 26th the Conference team **MUST** meet and support team is encouraged to come together. On March 5th we ask **EVERYONE** to attend and be prepared to be unified for our working together at the walk the next weekend. Praise God we have an opportunity to serve him and this community. Please continue to look for pilgrims who God wants on this walk.

### AGAPE TIME

NWGWTE Women’s Walk #49 is just a few weeks away. It is time to gather agape for these pilgrims to experience God’s love in a new and special way. There is a need for oven agape, 2 liter drinks, new and gently used books for the book table, table and bed agape. Bring at least 60 pieces of agape or bed or table agape, or 120 pieces to bless the whole team. If you have any questions, please contact Barbara Wills, 404-934-5227, or [charbar246@yahoo.com](mailto:charbar246@yahoo.com).

#### Sponsorship....what a Blessing!

Sponsoring a Pilgrim for the Walk to Emmaus is truly a blessing! Even though it is "all about the pilgrims", watching your friends experience God in a whole new way is just simply "awesome". I have sponsored two very dear friends on two different walks. I also served as support staff for both walks and was able to "observe" my friends "glowing" in the Grace of God.

One of my friends was constantly anticipating....she would seek me out and ask dozens of questions. I would just smile and tell her not to anticipate and direct her back to her room. She was so eager to "know everything" and so ready to give back. I know she has served on several NWGWTE weekends and sponsored several pilgrims as well. She has truly filled her Fourth Days with serving others inside and outside of our church family. Her motto is...what can I do to help? Needless to say, she is now serving on the Emmaus Board! Being a sponsor is truly humbling and a blessing you will never forget.  
DeColores!
